### Auditors' Responsibility

Our responsibility is to express an opinion on the accompanying financial schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial schedule. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BRUCE GUADALUPE COMMUNITY SCHOOL  
NOTES TO THE FINANCIAL SCHEDULE –  
CHARTER SCHOOL PROGRAM AUDIT  
JUNE 30, 2020**

**NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

United Community Center, Inc. (the Organization) provides avenues of growth to the Latino community in Milwaukee by providing direct services and by serving as a liaison between various institutions and the Hispanic community. The mission of the Organization is providing programs to Hispanics and near south side residents of all ages in the areas of education, cultural arts, recreation, community development, and health and human services. The Organization assists individuals to achieve their potential by focusing on cultural heritage as a means of strengthening personal development and by promoting high academic standards in all of its educational programs.

Through a partnership with the University of Wisconsin – Milwaukee, the Organization operates Bruce Guadalupe Community School (the School), a K4 to grade 8 charter school. The Bruce Guadalupe Community School's enrollment for the year ended June 30, 2020 was 1,364 on the third Friday in September and 1,366 on the second Friday in January. Included in the enrollment counts are 178 and 176 students, respectively, in the four year old Kindergarten program which is not a full-day program. The cost per student is based on a full-time equivalency of 1,294 and 1,252 students for the years ended June 30, 2020 and 2019, respectively.

The Organization operates on a calendar year ended December 31st while the School operates on a fiscal year ended June 30th to coincide with the school year; therefore, the financial schedules contain only the revenues and expenses of the School for the year ended June 30, 2020. Separate audited financial statements of the Organization are available for the year ended December 31, 2019.

**Basis of Accounting**

The financial schedules of the School have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities with revenues and expenses reflected in the period earned or incurred.

**Use of Estimates**

The preparation of financial schedules in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported revenues and expenses. Actual results could differ from those estimates.

**Property and Equipment**

All acquisitions and improvements of property and equipment in excess of \$5,000 are capitalized while all expenditures for repairs and maintenance that do not materially prolong the useful lives of assets are expensed. Purchased property and equipment is carried at cost. Donated property and equipment is carried at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated lives of the assets.

NOTES TO THE FINANCIAL SCHEDULE –  
CHARTER SCHOOL PROGRAM AUDIT

**NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Revenue Recognition**

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. With respect to exchange revenues, food service sales are recognized at a point in time while other exchange revenues consisting of student fees and day care revenues are recognized over time.

Contributions are recognized as revenue when they are received or unconditionally promised. All contributions are considered available for the School's general programs unless restricted by the donor to support specific programs. Contributions that are restricted by the donor are reported as increases in net assets without donor restriction if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restriction, depending on the nature of the restrictions. When a restriction expires, net assets with donor restriction are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by the School. Contributions of donated property are recorded at their fair market value at the date of the donation. A substantial number of unpaid volunteers have made significant contributions of their time to the operations of the School. The value of these donated services and time is not recognized in the accompanying financial schedules because they do not meet the criteria for recognition.

**Change in Accounting Principle**

For the year ended December 31, 2019, United Community Center, Inc. early adopted Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. Subsequent to May 2014, the FASB issued six ASUs to clarify certain matters related to Topic 606. Topic 606 supersedes the revenue recognition requirements in FASB ASC 605, *Revenue Recognition*, and requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The updates address the complexity of revenue recognition and provide sufficient information to enable financial statements users to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Our financial statements reflect the application of ASC 606 guidance beginning in 2018. No cumulative-effect adjustment in net assets was recorded because the adoption of ASU 2014-09 did not significantly impact our reported historical revenue.

JUNE 30, 2020**

**NOTE 1 NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Change in Accounting Principle (Continued)**

For the year ended December 31, 2019, United Community Center, Inc. adopted Financial Accounting Standards Board (FASB) ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies when a transfer of cash or other assets received and made qualifies as a contribution or an exchange transaction and establishes criteria for determining whether the asset provider is receiving commensurate value in return for those assets. The ASU also provides guidance for determining whether a contribution is conditional. No cumulative-effect adjustment in net assets was recorded because the adoption of ASU 2018-08 did not significantly impact our reported historical revenue.

**Subsequent Events**

The School has evaluated events and transactions for potential recognition or disclosure in the financial schedules through October 30, 2020 the date on which the financial schedules were available to be issued.

**NOTE 2 GOVERNMENT GRANTS AND STATE AID**

The School receives a significant portion of its funding in the form of government grants from various state agencies, primarily the Wisconsin Department of Public Instruction (DPI).

**NOTE 3 RELATED PARTY TRANSACTIONS**

The School is operated by United Community Center, Inc. Accordingly, the School is allocated general administrative costs of the Organization through the Organization's indirect cost allocation plan. For the year ended June 30, 2020, the School's expenses include indirect costs of \$1,916,051.

## INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors  
United Community Center, Inc. -  
Bruce Guadalupe Community School  
Milwaukee, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Community Center, Inc. - Bruce Guadalupe Community School, which comprise the Schedule of Charter School Revenues and Expenses for the year ended June 30, 2020 and the related notes to the financial statements, and have issued our report thereon dated October 30, 2020.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Community Center, Inc. - Bruce Guadalupe Community School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Community Center, Inc. - Bruce Guadalupe Community School's internal control. Accordingly, we do not express an opinion on the effectiveness of United Community Center, Inc. - Bruce Guadalupe Community School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors  
United Community Center, Inc. - Bruce Guadalupe Community School

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether United Community Center, Inc. - Bruce Guadalupe Community School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
